## THANK YOU:

To Keith McGavern for hosting the April Chapter Meeting in Shawnee. What a good day it was! We had twelve in attendance. We appreciate Ron Lewis and Sandra Meyer for their presentation.

Thanks also to all members for turning in your PTG Survey. We had 100% participation.

And thank you, Jamie Marks, for your tour of the Baldwin Plant in Conway, Arkansas. Fewer of us were available for this event, but it was

very informative and some videotaping was done to preserve and share some of the presentations.

By listing pianos you have for sale or rent and also pianos you know are needed, we can all better service our clientele by sharing the information.
