*“remember what to give thanks for”*

*This month our meeting will be held on November 19th at 8:30 a.m. At Edmond Music. The presentation will be given by Bob Scheer on Tone building in a vertical piano. This presentation will be useful to us all. As we all know most upright we run into need some tone building. Please come be a part of this fascinating investigation into the lack of beautiful tone. There will be doughnuts....yes.....there will be doughnuts.*

*Edmond music is located at 3400 s. Broadway on the S.E. Corner of the intersection of 33rd and Broadway in Edmond Ok. The phone number is 405-348-0004.*

## *...And now for a message from our Presidente*

*From the President*

*Is it Thanksgiving already?*

*It seems to me that it was only a few weeks ago that we were watching fireworks!*

*Someone once said ,that, "life is like a roll of paper towels, the closer you get to the end, the faster it goes." Agree or not, this is certainly food for thought.*

*For most of us, the demand for our services is highest in November and December. Humidity change, Holiday presentations, private parties, and concerts, are a boost to our piano work. Time flies even faster than normal during the next few months.*

*Speaking from personal experience, it's easy to race through the Holidays trying to keep up with the work demand, while not spending enough time to really enjoy life, and reflect on the importance of Thanksgiving and Christmas.*

*I hope that all of us are doing well, and will be working hard through the up coming months, but I also hope that we can all take a few breaths, slow down, and, not only give thanks for our blessings, but take the time to appreciate and enjoy the Blessings that we have been given.*

*HAPPY THANKSGIVING!*

*Bob*
